

## Chase Vodka

Chase Vodka is made with only two ingredients: potatoes from our farm and water from our bore hole, making it the only true Single-Estate spirit in the UK.

### Nose

Light white pepper, hint of freshly sliced potato. Very clean.

### Palate

Creamy turning clean black pepper, waxy oiliness and macadamia nuts.

### Finish

Clean, rounded. Smooth potato finish with mineral notes.

### Perfect Serve

Serve neat and chilled over ice, or enjoy as a Great Chase cocktail.
