

CIDER CASK FINISHED VIRGINIA - HIGHLAND WHISKY

This unique release features finishing casks sourced primarily from Virginia cideries. The whisky, made from 100% malted barley, spent an additional 8 to 20 months in these casks. This process imparts flavor and nuance from the originating barrels, showing the cider influence through notes of apple, pecan and vanilla.

Cider Cask Finished Virginia-Highland Whisky is best enjoyed neat, on the rocks, with a splash of water or in your favorite cocktail.

46% alcohol by volume
