

WHISPERING ANGEL

Created by Sacha Lichine following his acquisition of Château d'Esclans in 2006, his vision was to create the greatest rosés in the world igniting the "Rosé Renaissance". Sacha introduced new and innovative winemaking techniques to Provence which revolutionized the styles of rosés being produced from this region. This led to the creation of Whispering Angel, a world class rosé which presents both ease and accessibility making for enjoyment and pleasure. Whispering Angel is today's worldwide reference for Provence rosé.

❖ THE STORY

As a négociant and vinificateur (winery), Caves d'Esclans identifies vineyards, grapes and wines from Château d'Esclans as well as local growers to make what has reputedly become the world's greatest rosé. As our objective is to obtain the best quality grapes and wines, we have created relationships with the local grape growers, committed beside Caves d'Esclans, whose vineyards are treated with the same high standards of quality as are the vineyards of Château d'Esclans.

❖ KNOW HOW

Grapes grown from some of the most choice land in the surrounding region of La Motte en Provence, consisting primarily of Grenache, Cinsault and Vermentino. Harvesting at sunrise to noon. The grapes which are used to make Whispering Angel are sorted optically.
