

1800
CRISTALINO

Introducing New 1800® Cristalino.

A crystal-clear Añejo tequila with deceptive depth, presented in a stunning crystalline bottle. Now available stateside.

An ultra-premium Añejo claro (clear) Tequila finished in Port wine casks, Cristalino is a beautiful contradiction. On one hand, it is aged in French Limousin oak barrels for at least 14 months. On the other hand, it has been meticulously charcoal filtered to perfect, crystal clear clarity – atypical of traditionally dark-colored Añejos. The result is a more premium expression of a “silver” Tequila for 1800, with all the complexity of an Añejo, yet the silky smoothness and drinkability of a Claro.

Cristalino’s inherent style and quality liquid make a statement. Well suited for everyday gatherings as well as for turning it up a notch, Cristalino is the spirit for celebrating life’s substantial moments in a way that is unmistakably elevated.
