

GINQUILA®

REPOSADO

Neither a gin, a tequila nor just a blend of the two, GinQuila is inspired by the vibrant flavors of Latin American cuisine.

Tasting Notes:

A complex and rewarding fusion of fresh citrus, spice and earthy notes of tequila in the nose. Flavors of lemon, butter-scotch, vanilla and oaky reposado tequila give way to drying spice and cinnamon that then finishes with a complex finish with dark cocoa and licorice elements.
