PINOT GRIS, OREGON

- Sustainably harvested predominantly from Umpqua Valley AVA.
- Small lot fermentations and native yeast, without additives, highlight each vineyards' characteristics and produce the region's purest variety expressions.
- Whole cluster pressing and slow, cool fermentations preserve natural flavors.
- Fresh tropical pineapple and honeysuckle punctuate the glass. The palate has good weight with a bright and refreshing finish.
- Pair with seared scallops or Thai food.

ROSÉ, OREGON

- Sustainably harvested predominantly from Umpqua Valley AVA.
- Crafted through the traditional saignée method. After 24 hours skin contact, Pinot Noir juice was bled off the fermenters and cool fermented in stainless steel tanks.
- Balanced strawberry and watermelon aromas lead to a zesty, off-dry palate of raspberry and a clean finish.
- Pair with spicy chicken dishes or barbecued stir-fry.
