PALOMA

## OUR HOUSE IS YOUR HOUSE

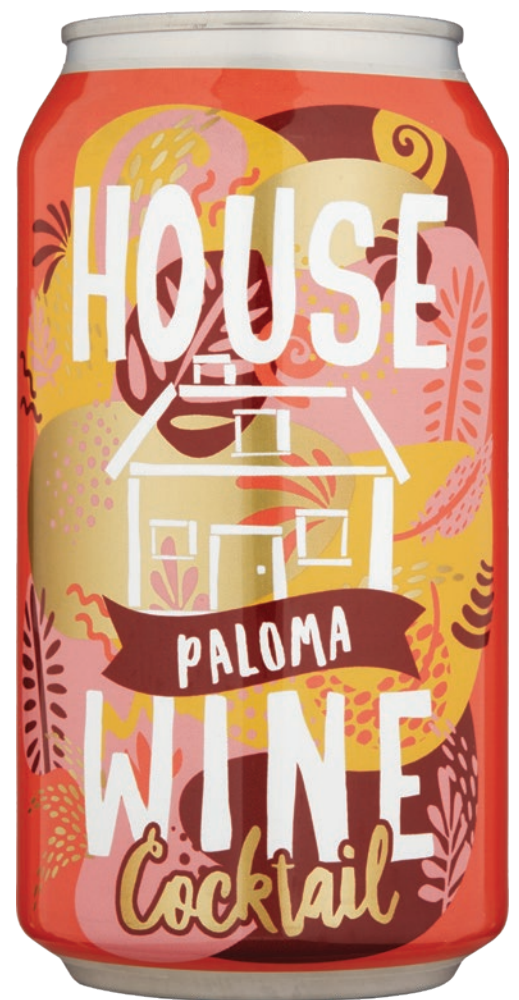

House Wine was inspired by Europe's easy-to-enjoy, unfussy everyday table wines that bring people together. We wanted to offer delicious, quality wines, with an iconic and bold label, that offer that same easygoing sensibility - a House pour for all! We live life in full color and thrive on adventure. We aren't afraid to color outside the lines, or stand up for what we believe in, because everyone's welcome in our house!

## TASTING NOTE

**CRISP, TART & FRUITY** - Fresh, ripe citrus aromas with flavors of sweet, juicy grapefruit and lime. Our House Paloma pairs best with tangy or spicy flavors, summer sunshine and scuba diving.

9% ABV | Wine-Based | All-Natural Flavors  
No Artificial Sweeteners | 100% Recyclable
