GINGER MULE

OUR HOUSE IS YOUR HOUSE

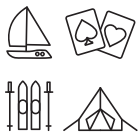

House Wine was inspired by Europe's easy-to-enjoy, unfussy everyday table wines that bring people together. We wanted to offer delicious, quality wines, with an iconic and bold label, that offer that same easygoing sensibility - a House pour for all! We live life in full color and thrive on adventure. We aren't afraid to color outside the lines, or stand up for what we believe in, because everyone's welcome in our house!

TASTING NOTE

CRISP, ZESTY & FLAVORFUL - Sharp ginger and citrus aromas, lead to light effervescent flavors of fresh lime, and spicy yet sweet ginger. Crisp, refreshing and flavorful ready-to-drink wine cocktail for all year round. Our House Ginger Mule pair best peanut sauces, salty seafoods and cozy winter getaways.

9% ABV | Wine-Based | All-Natural Flavors
No Artificial Sweeteners | 100% Recyclable
