1800 Blanco is double-distilled for a smoother, cleaner flavor and is made from a special selection of white tequilas, blended together for added complexity and character. The result is premium tequila with a smoother, more interesting and superior flavor.

## AÑEJO CRISTALINO

/ Best Añejo Tequila

Premios Diosa Mayahuel

2016	
------	--

A crystal-clear Añejo tequila with deceptive depth, presented in a stunning crystalline bottle. Cristalino is a beautiful contradiction — it is aged in French Limousin oak barrels for at least 14 months and finished in Port Wine casks for an additional 6 months, then meticulously charcoal filtered to crystal clarity. The result is a spirit with the depth and complexity of an añejo tequila but the silky smooth drinkability of a silver.

This tequila is crafted using 8-12 year old 100% Weber blue agave and is matured in American and French Oak barrels for no less than six months. This rich liquid has notes of buttery caramel, mild spices and a touch of smokiness, which is imparted by the finishing process.

## EXTRA AÑEJO MILENIO

/ Best Extra Añejo Tequila

Premios Diosa Mayahuel

An expression of the finest craftsmanship. After a long and delicate aging process, the extra-aged tequila is matured for a short period in French oak Cognac barrels creating a balanced, soft, and unique flavor with notes of vanilla, red fruit and cinnamon. A perfect expression of the land that nurtures the fine Weber blue agave and the hands that craft its final liquid, Milenio is considered the best representation of 1800® Tequila's roots and worthy of only those who appreciate the finest tequila.
