

PRÓSPERO

TEQUILA

100% DE AGAVE

TEQUILA THAT EMBODIES THE POWER OF THE FEMALE SPIRIT

PRÓSPERO REPOSADO

Softly rested in oak barrels, Próspero Reposado has a highly golden tone and a flavor with rich round notes of vanilla, white flowers and lingering spice.

Born of the lush, volcanic soil of the tequila valley, Próspero is the pinnacle of tequila, crafted by one of the few female master distillers, Stella Anguiano. Stella has been crafting tequila in Jalisco for thirty years. She has perfected her craft with Próspero Tequila, from the roasting of agave hearts to hand selecting the spirit's final cut. Próspero Tequila is available in 3 different expressions and all made from 100% blue agave tequila, produced in the lowlands of Jalisco, Mexico.

Global superstar Rita Ora and Master Distiller Stella Anguiano have partnered together to launch Próspero Tequila!

"Behind every successful family is a strong woman who serves as the heart and backbone. Próspero is a tequila that celebrates that."

STELLA ANGUIANO,
Próspero Master Distiller

"Stella and her team are incredibly passionate about what they do and have given me the chance to collaborate on a project that celebrates all women!"

RITA ORA,
Próspero Chief Creative Officer
