## TASTING NOTES FROM OUR MASTER DISTILLER, TIM VOS

Exotic and distinctive, Van Gogh Açaí-Blueberry Vodka has become a classic combination of flavors. The açaí is a tropical berry full of antioxidants, some tannin and interesting nuances such as clove, nuts and chocolate. The blueberry is known for its light, pleasing berry taste. Combining the two flavors requires a delicate hand to achieve balance. The nose features blueberry with a bit of raspberry and some nuts from the açaí. Because of the tannin in the açaí, there is structure in the mouth, making this a sophisticated flavor softened by blueberries, raspberries and a hint of almond for an exotic taste experience.
