CRYO HOPS

### The MAGIC is in the STASH!

For our Stash series, our brewers reached into their STASH of Cryo Hops® to deliver enhanced flavors and aromas from the purest hop product ever released!

Cryo Hops® by YAKIMA CHIEF HOPS are a hop product in which LUPULIN, the yellow magic dust within a whole leaf hop, (which contains the essential oils and acids used for brewing), is cryogenically ❄ separated at sub-zero temps.

Since 2012, HOP VALLEY® has been collaborating with YAKIMA CHIEF HOPS to craft original 🍺 beers that celebrate Cryo Hops® innovation.
