Passion Fruit Liqueur

Key talking points

- 1. The name “Chinola” is the local, Dominican Republic term for Passion Fruit.**
- 2. Chinola is pasteurized, which makes it shelf stable. No need to refrigerate after opening, a minimum of 1 year to use the opened product.**
- 3. Chinola Passion Fruit Liqueur is all natural, made from 100% Passion Fruit Juice and Barbadian rum. There are no flavorings, colorings or preservatives.**
- 4. Chinola is truly an estate bottled product. The entire process is completed on site in the Dominican Republic.**
- 5. Chinola has won many awards including the 2022 San Francisco Spirits Competition Double Gold Medal and 94pts. From the Beverage Tasting Institute.**
- 6. Chinola is a highly versatile product. Enjoy it chilled neat, on the rocks, in a mimosa, as a spritz with sparkling water, mixed with tequila, mezcal, rum or an energy drink.**
