PEANUT BUTTER, BANANA & BACON  
FLAVORED WHISKEY

# THE LEGEND. THE WHISKEY.

**Flavored whiskey is growing +19% and peanut butter flavored whiskey is growing +600% in the US!**

The King of Rock & Roll might also be the inventor of the most decadent snack this side of the Mississippi, the peanut butter banana and bacon grease sandwich! Legend has it that Elvis' longtime cook, Pauline Nicholson, may have been the first person to serve Elvis this now famous late-night concoction, and we're sure glad she did. Midnight Snack delivers the hunka hunka burning love for peanut butter, banana and bacon flavor you've been dreaming of.

## A WHISKEY FLAVOR BOMB

A balanced blend of savory and sweet - pleasant banana flavors give way to decadent peanut butter and finishes with the mouth watering smoke of bacon!
