

2020 ESSENTIAL RED

CALIFORNIA

WINEMAKING NOTES

Combining the best of some of our favorite red varietals, Essential Red is for wine lovers who enjoy big, rich and juicy wines. Blending Petite Sirah, Syrah, Teroldego, and Cabernet Sauvignon create a wine that is truly Essential!

TASTING NOTES

Dark and inky in the glass, this wine enchants from first glance. Aromatics of deep, dark fruit and ripe berries leads to rich, velvety and black fruit flavors. Supple and soft, the wine lingers, finally arriving at its finish with spicy nutmeg, cocoa powder and hints of cedar and sweet char.

FOOD PAIRINGS

Both essential and versatile, this wine pairs equally well with barbeque ribs as it does with seared duck breast. We also suggest a rich pasta with truffle oil and parmesan cheese.
