ITALY

GRAPES
Blend of Italian white grapes

ANALYSIS
Alcohol: 11%

SERVING TEMPERATURE
44° - 46°F

BOTTLE SIZES
750ml, 200ml (3pk)

WINEMAKING

The harvested Italian white varietal grapes are pressed very delicately in order to avoid the skin color being transferred to the must. After fermentation at controlled temperatures, the straw-colored wine is obtained that is then **converted to sparkling wine using the Charmat method**. Before bottling, our Italian sparkling wine is **fused with our special blend featuring all-natural flavors of oranges & cranberries** to create Zonin's Orange-Cran Riviera Spritz.

COLOR

Vibrant & beautiful light cranberry pink color with a lively, effervescent fizz that appears light when poured over ice.

BOUQUET & PALATE

Pleasant & pronounced **orange citrus notes** on nose. When tasted, the **cranberry flavors shine with subtle hints of orange zest & yuzu**. The sparkling wine cocktail has a **delicate sweetness that is well balanced by good acidity and zesty characters**, adding a unique & refreshing complexity on the mouthfeel through finish.

FOOD PAIRINGS

Light Italian bites, beet salad, white meats, dried exotic fruits, bold cheeses (Gorgonzola or aged Gouda).

750ml: 8-76153-00393-S
3-250ml: 8-76153-00395-S
