

JUICY

Sparkle

BLUEBERRY

Juicy Sparkle is a high-quality, low-alcohol, full sparkling Prosecco. Our Blueberry flavor is flavored with real fruit and has a fun, electric-blue color. To make Juicy Sparkle, our grapes are harvested in Italy and fermented at a low temperature to allow for the best aroma extraction. This also means there's a 100% natural carbonation process. Made with blueberry purée, Prosecco (Glera) grapes, and a small percentage of Moscato grapes, Juicy is the perfect drink to get the party started. Enjoy on its own or mixed into cocktails, and remember to serve chilled!
