

Papi[®]
Demi Sec

CABERNET SAUVIGNON

The fun starts here.

COUNTRY: Chile

REGION: Valle Central

DESCRIPTION: Deep crimson color with violet tones. The nose is filled with spiced aromas. Taste of red berries with soft tannins make for a sweet finish on the palate. : Alcohol: 12% alc.

VINIFICATION: The grapes are fermented in stainless steel tanks with selected yeasts. The temperature is kept between 25 to 26 °C for 4 to 5 days. After the alcoholic fermentation takes place, the free run juice is separated from the skins on the pneumatic press. 100% of the wine has Malolactic Fermentation.
