

A TASTE OF PUERTO RICO

Medalla Light is the result of nearly a century of experience in the art of brewing. The award-winning beer is crafted with the highest standards of quality and the world's finest ingredients.

Carefully selected hops and two-row barley – the highest quality barley coveted by craft brewers – come together to create a full-flavored, light lager; with a golden color, a clean aroma and a refined taste.

For the past 10 years, Medalla Light has been Puerto Rico's top selling beer. It is brewed and bottled by Cervecería de Puerto Rico (cerveceradepr.com), the Island's premier brewing company and a market leader in the alcoholic & nonalcoholic beverage industry.
