BLUE CRUSH COCKTAIL

We've all had the blue party bowl drink made from who knows what, it tasted amazing and wow, what a great time we had.

Monaco Blue Crush puts that whole bowl of fun right in a can. A concoction made from our Monaco Vodka, gin, rum and tequila and rounded off with a special crisp carbonated soda. We made it taste great, now you have to make the fun, invite your friends over and let us know how it goes.
