

LIGHTER SAUVIGNON BLANC

HOW WE MADE IT

We love Sauvignon Blanc. In fact, we were the first to produce Sauvignon Blanc in New Zealand way back in 1974. Now, New Zealand Sauvignon Blanc has exploded onto the world stage creating fans wherever it has gone, and has become the most popular wine from New Zealand. We're proud to have started that revolution, and now we're bringing you that same quality in a new lower-calorie and lower-alcohol wine for when you need something lighter.

HOW IT TASTES

Matua Lighter has that classic New Zealand Sauvignon Blanc flavor you love, but with less of the calories you don't. The nose is mouth-wateringly vibrant with grilled pineapple and passion fruit characters. The palate doesn't skimp on flavor either, bursting with zesty citrus and natural acidity. This is a lighter style Sauvignon Blanc with only 80 calories per 5oz. serving. Cheers to that!

HOW TO SERVE IT

To ensure the best possible flavors and aromas, chill for 45 minutes. Our chill check snowflake ❄️ on the bottle will turn blue once the wine is chilled to perfection.

HOW WE DRINK IT

A fresh salad with spinach, avocado, strawberries, and roasted chicken.
