

# OLIVER SWEET ROSÉ

SEMI-SWEET

Catawba grapes give Sweet Rosé its beautiful rose tint and refreshingly sweet, bright flavor. Delicious, light fruit flavors make Sweet Rosé a perfect choice for sun-filled festivities. Sweet Rosé is part of Oliver's Soft Wine Collection.

## TASTING NOTES

A bright, semi-sweet wine bursting with fresh strawberry and peach flavors. Crisp and light with juicy grape aromas. A long, sweet, and satisfying finish.

## WINEMAKING

Catawba juice from the cool growing regions of the Great Lakes is fermented in stainless steel tanks. Cold fermentation retains Catawba's crisp fruitiness. Immediately following fermentation the now dry wine is clarified. Additional juice is added to the wine to provide sweetness and further enhance its flavor and aroma.

## PAIRING

Serve chilled. Enjoy with your favorite spicy Mexican dishes or with a fruit filled salad. Pairs well with salmon and makes a perfect brunch companion.
