

PASTÈQUE

Watermelon

WHY IS IT UNIQUE ?

◆ EXPERTISE

An **exclusive recipe** combining **traditional methods and innovations** to create truly distinct flavours.

Our Liqueur Master is the guardian of the secrets passed on from generation to generation, and ensures expertise continuation by creating new recipes.

◆ NATURALITY

Made from natural aromatic elements.

◆ FRENCHNESS

Marie Brizard® Watermelon Liqueur has been **inspired by the Maison's expertise since 1755**.

Maison Marie Brizard®, which was already serving its liqueurs at the court of king Louis XV, has been sharing **French art de vivre** throughout the world for **almost 300 years**.

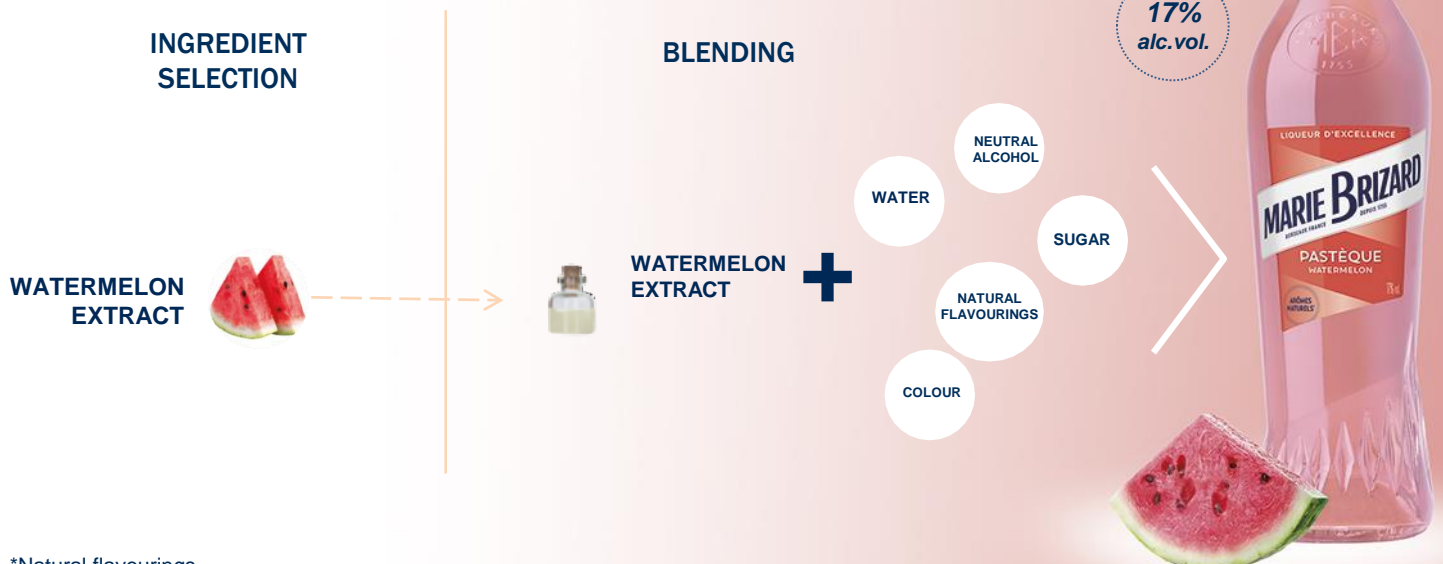

It belongs to the heritage of France and is part of the very small circle of the **oldest French companies** still in activity.

Marie Brizard® Watermelon Liqueur is characterised by the fresh sweet notes of watermelon.

WHAT IS THE SECRET TO HOW IT'S MADE ?

◆ A perfect combination of quality ingredients including a **watermelon extract****.

◆ Our Liqueur Master has used the Maison's **ancestral heritage** to research and combine the **best ingredients** from all over the world, and created this **aromatic, intense and harmonious liqueur**.

*Natural flavourings

**An extract is a solution of which the aromatic part comes 100% from a natural ingredient obtained from an extraction process.

HOW TO ENJOY IT ?

Our Watermelon liqueur is best enjoyed in cocktails and also straight over ice.

DID YOU KNOW ?

Does watermelon have thirst-quenching properties?

TRUE Watermelon flesh is full of water, which gives its thirst-quenching properties for when it's hot in the summer. Low in sugar and calories, watermelon also provides many vitamins.

Do square watermelons exist?

TRUE The Japanese have taken space saving to an art form. Farmers in the south of the archipelago had the idea of growing square watermelons, that can be easily stacked. How? By growing the fruit in a glass jar. As it grows, the watermelon takes on the shape of the container. A curiosity that does change the fruit's quality at all, but doubles its price!
