ADDITIVES

VEGAN

## A NEW STANDARD IN WINE.

Avaline offers a range of wines that are made with organic grapes and free from unwanted additives. Founded by two close friends, Cameron Diaz and Katherine Power, the brand aims to raise the standard for what goes into consumers' wine glasses, inspiring them to drink with confidence.

## OUR COMMITMENT TO ORGANICS, SUSTAINABILITY & TRANSPARENCY

- All vineyards are certified organic, meaning no synthetic herbicides and pesticides are used in farming
- Our wines are free from unwanted additives like added colors and concentrates
- We share all ingredients and nutritional information directly on our label

## MEET OUR WHITE PRODUCER

Don Miguel Icons is a project of the Familia Torres, a family of winemakers growing grapes in the Penedès region of Spain with a history spanning over 150 years. Named after third generation son Miguel Torres, known as Don Miguel, the winery combines legacy with innovation to make fresh, delicious wines with organically-grown grapes.

## CERTIFICATIONS

Certified Organic by CCPAE (Competent Body of Catalonia)

## TASTE/STYLE

Bright gold in color, with fresh citrus aromas and a silky, delicate palate that give way to nice acidity on the finish.
