

# BF – TASTING

## TRIPLE OAK

*BEARFACE Triple Oak is a single grain Canadian whisky matured in ex-bourbon American oak barrels, then aged in French oak red wine casks and air-dried virgin Hungarian oak.*

## AMERICAN OAK

*Our single-grain Canadian whisky is aged in ex-bourbon American oak barrels to impart notes of honey, butter and natural vanilla.*

**Tasting notes:** Honey, marzipan, crème brûlée, butter and natural vanilla.

## FRENCH OAK

*Three vintages of heavy-red, tight-grain, French oak casks are used to impart dry fruit notes of cranberry and pear, along with a rich Canadian red colour.*

**Tasting notes:** Dry fruits and cranberry. Subtle flavors of saffron, balsamic, apricot and a hint of pear.

## HUNGARIAN OAK

*After being air-dried for three years, our virgin Hungarian oak is toasted three ways. This imparts a unique spice with rye-like notes as well as BBQ and a gentle smoke.*

**Tasting notes:** Spice, black cardamom, orange peel, mandarin, brown sugar and smoke.
