

REBELLIOUS Sauvignon Blanc 2023

America / California

Rebellious Sauvignon Blanc, like each of our wines, is rooted in the rebellious spirit of nature. With the label honoring the roots of grapevines, which struggle down deep into the earth, seeking water and fighting against the harsh elements to survive. Today, the growers and winemakers of Rebellious have created a refreshing and fruity California Sauvignon Blanc. This addition to our lineup showcases the diversity of flavors that nature can provide from the exceptional California wine-growing region.

TASTING NOTE

This crisp and refreshing Sauvignon Blanc features notes of tropical fruit, melon, citrus and green apple. Vibrant acidity and beautiful minerality complete the wine profile, making an exceptionally balanced wine with a rich, long mouthfeel.

UNIQUE SELLING POINTS

- A crisp and fruity Sauvignon Blanc, showcasing the exceptional California growing region.
- Made without oak to emphasize the wine's elegant aromas and clean, fresh character
- Screwcap closure ensures easy opening and keeps the wine fresh to maintain the bright fruit flavor.
- Eye-catching label is an homage to the grapevines themselves.

We celebrate the rebels – the individuals who courageously defy the norm and push boundaries to create positive change. This Sauvignon Blanc is grown in cooler, hilltop environments, producing a final product that reflects the daring spirit of those who inspire others to follow their own path.
