FITVINE
WINES

**DRINK WINE
NOT SUGAR.**

Produced in California, FitVine is designed to meet today's consumer desire for a better-for-you, low sugar alcoholic beverage that tastes great and jives with their active lifestyle.

We use extended fermentation and the latest technology in cross-flow filtration to remove tannins, sugars, and histamines while preserving flavor. Our wines are also gluten-free and vegan friendly - making FitVine the perfect choice for consumers looking to raise a glass without sacrificing their wellness journey.

Wherever life takes you, FitVine is here to cheer you on, toasting to your hustle, and clinking to your balance. We're not just wine, we're your partner in crime, the accomplice to your adventures, and the best darn sip you'll ever take. Cheers to you and your balanced, awesome life!
