

CHERRY MOSCATO

The first of Oliver Winery's Real Fruit Moscatos collection and the original innovation that started the Flavored Moscato trend. More than just a fad, Cherry Moscato continues to be a top-selling flavored wine across the U.S. Cherry Moscato is a blend of award-winning Moscato wine and Montmorency cherry juice, with a luminous blush color to complement its crisp and bubbly character.

TASTING NOTES

Montmorency cherry juice plus botanical essences. A spritz of bliss! Fruit-infused Moscato wine, with hints of strawberry, Italian ice, and fresh lime. Aromas of apricot nectar, honeysuckle, and plenty of tart, ripe cherries. Light & spritzy, it's a refreshing and fruity treat.

WINEMAKING

Muscat Canelli and Muscat Alexander combine to create our lush Moscato blend. Infused with real Montmorency cherry juice and a touch of bubble for a perfectly fun finish.
