

Handcrafted in the English Countryside

A London Dry Gin intricately realized with 24 botanicals in the Surrey Hills. Aromatic floral layers of lavender and chamomile combine with fresh notes of citrus and the subtle richness of estate-grown honey.

AWARD-WINNING LIQUID

A winner of Gold medals across major global spirits competitions, and the proud holder of a Double Gold from the San Francisco World Spirits Competition.

A UNIQUE 4 STAGE PROCESS

To create a Gin with a symphony of complex flavors perfectly balanced together

MACERATION

Pungent and herbal botanicals

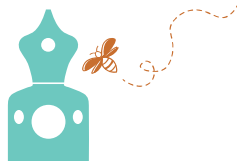

TEA INFUSION

Floral and volatile botanicals

VAPOR BASKET

Fresh botanicals

POT & COLUMN STILL

We add Albury honey into the pot. Our custom still allows us to achieve precision in the distillation process

PREMIUMIZATION IS A GLOBAL TREND

Silent Pool Gin is an Ultra Premium Gin with an enviable reputation across the world, drawing new consumers into this profitable segment.

“[There is now] a desire for less but better within the industry. Consumers are trading up”

-IWSR
