CABERNET SAUVIGNON

California

WINEMAKERS NOTES:

Celebrating 15 years of producing Cabernet Sauvignon, winemaker Phil Long embarked on a challenge of producing a classic Bordeaux style wine, blending several different clones from several vineyards. Even going as far as using the rare and enjoyable varietal Arinarnoa.

TASTING NOTES:

This medium brick, plum colored Cabernet highlights the varietal. Ripe Cabernet shines with intense black cherry notes in this multi vineyard blend. The palate has a rustic fruit expression favoring dried cherry, cassis and pomegranate notes. The wine finishes with subtle oak notes yielding a light vanilla and cocoa finish. The soft tannins provide a lengthy enjoyable finish.
