JEPTHA CREED

KENTUCKY STRAIGHT BOURBON WHISKEY

It takes a daring spirit to craft something truly unique. Jeptha Creed bourbon is made with estate-grown heirloom corn and combined with malted grains to produce bold innovations using traditional techniques. Now at least four years old, these bourbons highlight the distinctly smooth flavor imparted by Bloody Butcher Corn.

Jeptha Creed uses old fashioned methods to meet today's modern taste. They use only the finest ingredients, locally grown and sourced, to ensure their products meet the highest expectations for quality and flavor. Owned and operated by mother-daughter duo Joyce and Autumn Nethery, Jeptha Creed sits on 64 acres of farmland where they grow the Bloody Butcher Corn used in all of their bourbons.
