## PIONEERING HYDROPHOBIC MOLECULE DRUG DELIVERY

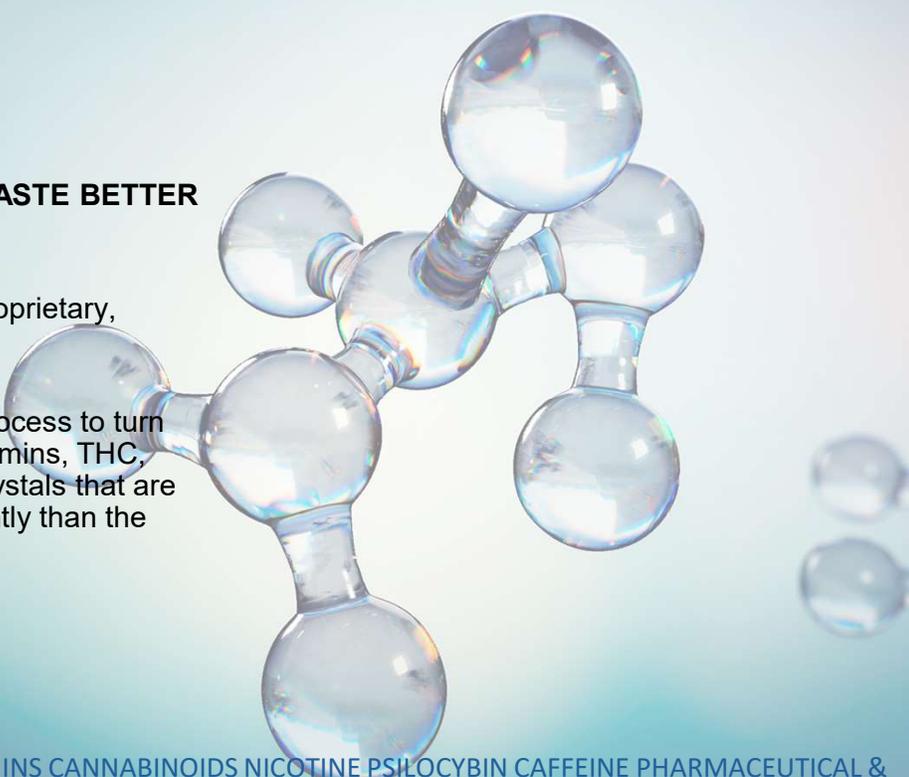

**MAKING MOLECULES WORK BETTER, TASTE BETTER & ABSORB FASTER.**

The Raxis keys to success begin with our proprietary, industry-leading Hydro Fiber Technology.

Hydro Fiber Technology is our proprietary process to turn oil-based molecules and ingredients like Vitamins, THC, CBD, Caffeine, etc., into water-soluble co-crystals that are absorbed into body up to 523% more efficiently than the next closest process.

Why is that important, because it makes....

- drinks taste better
- medicine work better
- recreation more fun!
