

squealing pig

squealing pig

marlborough
sauvignon blanc

Color

Light straw with a green subtle grass hue.

Nose

The nose is salivating and crisp like a summer salad, bursting with juicy pineapple and lemon pith backed up by fresh green notes of basil and cut grass.

Palate

The palate is weighty and refreshing practically exploding out of the glass it has so much energy with layers of lemon and lime pith with just squeezed grapefruit. Tangy citrus notes lead to a focused yet textural finish of white peach with delicious balance.

Cellaring

This wine is bright and inviting, like Marlborough sunshine. Drink early straight away to savour the vibrant aromas and liveliness.
