Wine Details

The red Primitivo grapes are softly handpicked in 20 kg cassettes and then rapidly bring to the winery where they are destemmed and gently crushed. The grapes remain for one week in the tank at low temperature in order to have a pre-fermentative maceration. Alcoholic fermentation runs at 22-26°C for around 15-20 days with daily remontages. When fermentation ends, wine is racked in another tank where malolactic fermentation takes place. Then wine lies in wood barrels for 6 month before being bottled.

Apulia Region, Southern Italy

Tasting Note

A wine with a deep red color; a warm nose that reveals intense aromas of plums, red fruit, spicy notes, vanilla, coffee and cocoa. On the palate, it is warm and round, full body and tannins are soft and velvety.

Food Pairing

Ideal with grilled or roasted red meats and seasoned cheeses.
