

ROMEO AND JULIET PASSIONESENTIMENTO ROSSO

Indicazione Geografica Tipica

Valpolicella, Italy

Wine Details

Founding wine and starting point of the Romeo&Juliet project; a red wine like love and passion. A blend of Corvina and Croatina with a percentage of Merlot, which the drying period renders velvety still. The grapes are picked by hand and left to dry in wooden crates in the drying loft. There, by means of humidity control and air circulation, the grapes lose around 30% of water content and achieve high sugar concentration. Given that the grapes have differing ageing times, vinification takes place separately in steel tanks; thus the blend is created at the end of this process. PassioneSentimento is aged in oak tonneau barrels for 3 months
