

A MIXED 12-PACK THAT LIVES UP TO ITS NAME

AVAILABLE JANUARY 2024

Stone Delicious IPA has been a rising star in our lineup thanks to its intense lemony-herbal flavor and aroma. That got us thinking of some other ways to do Delicious. What about an amped-up Delicious Double IPA? An extra-refreshing Delicious Citrus IPA? An extra-juicy Delicious Hazy IPA? The answer was obvious: All. All is good. The original, the sequel, the remix and the hazy twist are neatly gathered in this mixed twelve pack, and each is definitively Delicious in its own way.
