

FACTS AT A GLANCE
Jefferson's
Very Small Batch
Kentucky Straight Bourbon Whisky

This very small batch, handcrafted bourbon has been aged in the heart of metal clad warehouses to accentuate the extreme temperatures that Kentucky is blessed with, forcing the bourbon to expand deep into the barrel and pull out the prevalent flavors of the wood. These flavors of vanilla, caramel and assorted fruits assure an incredibly smooth taste and finish. There is no easier drinking bourbon whisky than this polished Kentucky gold. Jefferson's is as smooth as it gets.
