# TEQUILA BLANCO STILL STRENGTH

This bottle is an honest expression of agave with nothing to hide. Clean, bold agave flavors dominate this exceptional tequila blanco. Bright citrus, cinnamon, and anise lead the way while the velvety mouthfeel envelope your palate. Long, warm, and complex, this tequila demands attention. With nothing added aside from deep well water and blue weber agave, one can truly taste the terroir of the Jalisco Valley. Our blanco is made in El Arenal, Mexico by Master Distiller Salvador Rosales Trejo - aka "Chava" by friends and family. At 50% Alc./Vol., this is for agave purists with the highest of standards. Salud.
