

LOUIS JADOT BEAUJOLAIS/MACONNAIS

Rosé 2021

France

Coteaux Bourguignons is a new appellation created by the Institut National des Appellations Contrôlées in 2011. It is a harmonious and representative blend of our famous grapes, coming from their homeland - Burgundy. A lively rosé from a crafted selection of Gamay from the great Burgundy region.

HARVEST NOTE

The 2021 harvest was very late this year as a result of a devastating frost followed by snow and a cool summer. The ripening process of the grapes was slowed due to these extreme cold conditions. Despite this, the grapes that survived were healthy although a small quantity.

TASTING NOTE

Floral and fruity, fresh red currant and raspberry fruit character.
