ASIAN PEAR YUZU
LYCHEE MANDARIN

-  Crisp as an apple, but candied like a pear. The juiciest bite you've ever taken.
-  A citrusy and tart flavor. Imagine a lemon and a grapefruit on a tandem bike.
-  Sweet aromatic fruity flavor with floral notes. It's like a grape grown by elves.
-  A tiny orange with a sweeter personality and a scent accompanied by a choir.
