LOUIS JADOT BEAUJOLAIS/MACONNAIS

Pinot Noir Bourgogne 2021

France / Burgundy

Louis Jadot has recently completed a winery dedicated exclusively to the production of its Bourgogne Pinot Noir. Jadot's numerous long-term relationships with wine growers guarantee that the highest-quality fruit is sourced every year from vineyards across the Burgundy appellation. To further elevate the quality, Jadot practices réplis, or declassifying some wines of higher appellations, which are added to the final blend.

HARVEST NOTE

The year began with a frost in April followed by months of rain which covered most of the crop. The cold weather lasted into early May and then began to look up for the better, which was a huge relief to winemakers. The harvest began later than usual, due to difficult growing conditions. Despite the difficulties faced by winemakers, the fruit was healthy and bold in flavor.

TASTING NOTE

This medium-bodied wine is harmonious, with forward, plump fruit and a silky texture balanced by gentle tannins and elegant structure. The very typical Pinot aromas and flavors of red cherries and wild strawberries are complemented by a delicious, lingering finish.
