Sweet Lily is a wine made for people who enjoy rich and savory wines that can always surprise with unexpected and exotic flavors. The sweetness of the wine is backed up by fruity, ripe flavors or the gentle touch of flowers in full bloom. This delightful wine comes with a high alcohol content that gives an even more profuse aroma of sweet sensation that takes all the stress away and warms your soul.

This amazing wine is made by mixing the high-quality wines made by a small winery that is known for growing rare grapes and producing award-winning wines with natural flavors of fruits and roses.

SWEET LILY RED PASTORAL

This red wine is made of grapes harvested and selected by hand and fermented using traditional methods, which allows the preservation of the natural color and balanced taste. It has an intense wood aroma, harmoniously overlapping with notes of dry plums and rose petal jam.

TYPE OF WINE: SWEET • WINE COLOR: RED

SWEET LILY STRAWBERRY

This rose wine is made of grapes harvested and selected by hand and fermented using traditional methods, which allows the preservation of the natural color and balanced taste.

This wine has a delicate pink color with an aroma of exotic fruits and sweet strawberries that smoothly develops into a long finish with hints of wild berries.

TYPE OF WINE: SWEET • WINE COLOR: ROSE

SWEET LILY PEACH

This white wine is made of grapes harvested and selected by hand and fermented using traditional methods, which allows the preservation of the natural color and balanced taste.

This wine is distinguished for its perfect balanced flower and citrus bouquet, harmonious taste with delicate white peaches aftertaste, which makes you want more.

TYPE OF WINE: SWEET • WINE COLOR: WHITE

SWEET LILY BLUEBERRY

This red wine is made of grapes harvested and selected by hand and fermented using traditional methods, which allows the preservation of the natural color and balanced taste. This harmonious wine is perfumed with a violet scent and tints of sweet, juicy blueberries picked at the perfect moment.

TYPE OF WINE: SWEET • WINE COLOR: RED

SWEET LILY PINEAPPLE

This white wine is made of grapes harvested and selected by hand and fermented using traditional methods, which allows the preservation of the natural color and balanced taste.

The wine is yellow straw color, fresh with the rich aroma of pineapple followed by white spring flowers aftertaste.

TYPE OF WINE: SWEET • WINE COLOR: WHITE
