ROCK ANGEL

Rock Angel Rosé is for serious rosé lovers.

A powerhouse wine that will rival any rosé producer today from Provence.

It is time to introduce our Whispering Angel fans to the next level rosé.
Connoisseur and edgy - for those 'in the know'.

“It all started with a Whisper... Now it's time to Rock!”

TASTING NOTES

Delicate red berry aromas with mineral, floral and spice notes. A touch of oak adds a creamy feel and texture. Rich and racy on the palate, with firm acidity with a long and silky finish. Powerful and elegant. A classy wine. If you like the minerality of a Sancerre, you will love this...

WINEMAKING

Grenache, Cinsault, and Rolle (Vermentino) from 20-25 year old vines. Mid-elevation vineyards. Clay and rocky soils. AOC Côtes de Provence. Fermentation is 70% in stainless steel and 30% large oak barriques (600L). Six months aging in tank and barrel.

PAIRINGS

Pairs well with most seafood & shellfish, especially oysters. Other favorites include: grilled mahi mahi with asparagus, smoked salmon & dill, spaghetti a la vongole.
