

“The Real McCoy! It’s said that during Prohibition Bill McCoy serviced the better speakeasies with proper Cutty Sark; hence the name. If this is a recreation of what they might have been drinking back then, you can see why they kept fighting over it! Great stuff.”

Dominic Roskrow,

“The Real McCoy”

Released 80 years after the end of the era which it celebrates, Cutty Sark Prohibition Edition has been crafted as a salute to the notorious Captain William McCoy, who smuggled Cutty Sark blended Scotch whisky into America during the Prohibition era of the 1920s.

Captain McCoy's impeccable reputation for fairness and dealing only in the finest, genuine and unadulterated liquor gave rise to Cutty Sark being referred to as *“The Real McCoy”*.
