ICONIC SINCE 1923

CUTTY SARK WAS LAUNCHED IN 1923 AND IS ONE OF THE MOST RECOGNISABLE SCOTCH WHISKIES IN THE WORLD, WITH A LONG HERITAGE.

Named after the legendary three-mast tea clipper Cutty Sark, one of the fastest of its days, the brand celebrates the spirit of adventure. Created at the height of the cocktail culture with a new smoother style of whisky, Cutty Sark became very popular in the Prohibition era and the 1st Scotch to reach 1 million cases in the USA. Its distinctive yellow label has graced the world's best bars and lounges for over 90 years.
