

PERFECTLY SPICY™

GHOST

TEQUILA

THE PRODUCT

From the very beginning, our goal was to first craft a high-quality 100% agave tequila, and then make it spicy. And that's exactly what we did. Ghost Tequila is produced in small batches, marrying old world techniques with modern ingenuity, adding just enough heat to spark your taste buds and create a perfectly balanced, spicy spirit.

THE TASTE

Our carefully created recipe and process combines a tiny hint of Bhut Jolokia with the natural sweetness of agave to create a spicy sensation unlike any other. The flash of heat and silky finish makes any drink smoother and instantly more exciting. Your taste buds will thank you.
