

# WHISKEY ROW SERIES 1910 OLD FINE WHISKY

THE FIRST BOTTLED BOURBON™  
ESTD **OLD** 1870  
**FORESTER**®  
— NEVER GETS OLD —

SMALL BATCH OF BARRELS THAT HAVE UNDERGONE A SECOND BARRELING, EMULATING THE PRODUCTION PROCESS AS A RESULT OF A FIRE ON THE BOTTLING LINE IN 1910.

## TWO BARRELS. ONE FINE BOURBON.

On October 2, 1910, a fire on the bottling line halted production of Old Forester mature whisky ready to be bottled, instead was stored in a secondary barrel. What emerged was a delightful whisky, remarkable enough to become an entirely new expression - Old Fine Whisky.

Today, mimicking this historic bottling, this unique expression of Old Forester has undergone a second barreling, granting it exceptional character, a smooth and sweet flavor and a clean, spicy finish. Entering the second barrel at a low 100 proof allows more of the sweet wood sugars to dissolve into the whisky. 1910 Old Fine Whisky is the fourth and final expression of the Whiskey Row Series, presented at 93 proof and available for purchase October 2018.

## TASTING NOTES
