SET THE BAR HIGHER

Old Forester 1897 Bottled in Bond is crafted to honor a watershed moment in bourbon history - the U.S. Bottled-in-Bond Act of 1897. This expression follows the Bottled in Bond standards that whisky must be aged in a federally bonded warehouse for at least four years, the product of one distillation season, one distiller and from one distillery and bottled at 100 Proof. The concept behind these regulations - the idea of 'sealed in quality' - was something Old Forester introduced in 1870, as America's First Bottled Bourbon.™

- FLAVOR:** Mouth-filling. Sweet and intense. Deep fruit, spice and oak notes layered over dark caramel and vanilla.
