

# McBride Sisters Collection Chardonnay, Central Coast California 2021

● White – 750ml

A Chardonnay for modern days. Our Central Coast rockstar is fresh and ripe, with a delicious touch of cream that makes it a no-brainer with Alfredo sauce, salmon, and just about everything else.

## Tasting Notes

This wine is sunshine in your glass. Bright and zesty fruit flavors twirl with tropical richness, and a toasty, creamy layer that always feels light and refreshing. Hints of flint and wet rock keep things extra interesting on the way to a long, fresh fruit finish.
