

AUTHENTICO

ORGANIC TEQUILA

authenticotequila.com

ADDITIVE FREE

USDA ORGANIC

SOLAR POWERED

CARBON NEUTRAL

simple in spirit™

Authentico is everything you want in a tequila, and nothing you don't.

Made with agave, yeast, and water. And that's it. Additive-free, certified USDA Organic, and produced with solar power.

And in an era of skyrocketing tequila prices, Authentico is high quality without a ridiculous price.

Every drop is made at Tequilas del Señor in Tlaquepaque, Jalisco, Mexico. (NOM 1124)

TDS is among the the oldest continuously operating tequila distilleries, and the family owners have made exceptional tequila for 80 years for the Mexico and European markets.

Now, with Authentico, a new tequila will be available in the United States.

Don Manuel Garcia

Don Manuel Garcia
Gran Tequilero

BLANCO

AROMA

You ever smell cotton sheets, right out of the dryer? That, plus a little pine, and a sprig of lilac.

FLAVOR

Fresh agave, with a sprinkling of sea water, and a slice of green pepper. Finishes with a dollop of residual sweetness. Soooo perfect in ranch waters, palomas, and margs.

AGING

None

REPOSADO

AROMA

This is the family-run ice cream parlor you visited as a kid. Strawberry. Waffle cone. Dulce de leche. Cravings activated.

FLAVOR

You know those cinnamon almonds you buy at the fair? This is that, if they also tossed in some white pepper for vibes.

AGING

8 month process. 6 months aged in American oak barrels.

6 73943 33862 4

CRISTALINO

AROMA

Sit in a pine forest, surrounded by orange peels, while drinking chocolate milk. Then smell this. Same.

FLAVOR

Colorless, but not flavorless! Take a lemon sugar cookie and dip it in hot cocoa. One of the only additive-free cristalinos, too!

AGING

9 month process. 6 months aged in American oak barrels.
